**16 University of California Los Angeles**: Specific credential offered (hybrid course), Contact: Imelda Nava | **website**

**17 University of California San Diego**: Introductory & Specific credentials offered (asynchronous online course), Contact: Beth Simon | **website**

## Computer Science Supplementary Authorization Incentive Grant Program

*LEAs can apply for up to $2500 per teacher for professional learning.*

$15,000,000 was appropriated in 2021 from the General Fund to the Commission on Teacher Credentialing for the Computer Science Supplementary Authorization Incentive Grant Program. For more information, contact csgrant@ctc.ca.gov.

To learn more about which supplementary authorization program is right for you or your team, please see our infographic on **Teaching Computer Science in California**.

Career Technical Education credential holders can learn about other opportunities at the **Commission on Teacher Credentialing website**.

For more information about computer science in California, visit **CSforCA.org** or contact Julie Flapan at flapan@gseis.ucla.edu.
